## Refuse to Cut Street Dance From Program

[Special to The Times-Dispatch.]  
DANVILLE, VA., Nov. 8.—The  
American Legion committee, in  
charge of the armistice celebration

The ministers were represented  
by a committee which had a peti-  
tion with eight names asking that  
this feature be eliminated. The  
clergy held that Armistice Day  
should be one of prayer and that  
the dance would destroy its mean-

## FROM CREWE TO TELL THE STORY

Mrs. James Overton Relates  
How Her Father Was Re-  
lieved of Stomach  
Trouble.

BY THE REMEDY, PLANT JUICE  
After Taking Only 3 Bottles  
He Can Eat Any Kind of  
Food and Enjoys It.

People everywhere have found  
great relief through the use of Plant  
Juice, the new herbal stomach re-  
medy, from stomach trouble, nervous-  
ness, weakness and debility. It  
builds up the body and strengthens it,  
clears the blood of poisons and im-  
purities, stimulates the liver into  
healthy action, corrects constipation  
and clears the system of all malaria  
and biliousness. Did it give results  
other than outlined there would never  
be the demand and universal satisfac-  
tion demands from Plant Juice. It  
does all and more than is claimed  
for it.

Following is the signed testimony  
of a well-known Virginia lady which  
speaks for itself:

Mrs. James Overton, of Crewe, Va.,  
who has a host of friends in that  
town, as well as in this city, recently  
stated how her father was relieved of  
a bad case of stomach trouble by  
Plant Juice. She said:

"My father was a great sufferer  
from indigestion; always had a fail-  
ure across the chest and a violent  
pain in the stomach after eating; he  
also suffered from head noises, which  
caused him to become very hard of  
hearing. He had read a great deal  
about Plant Juice and what it had  
done for others in our city, and he  
wanted me to buy him a bottle to try  
it. After taking three bottles he  
wanted me to give his testimonial for  
him to tell of the great benefit he  
had received. He is able to eat any  
kind of food and enjoys all of his  
meals. It relieved those head noises  
and he is feeling fine."

Plant Juice cleanses, strengthens  
and revitalizes the entire system. It  
clears the blood of poisons and im-

tones up the digestive organs. It  
sharpens the appetite and promotes  
sound, restful sleep.

He Can Eat Any Kind of  
Food and Enjoys It.

People everywhere have found  
great relief through the use of Plant  
Juice, the new herbal stomach re-  
medy, from stomach trouble, nervous-  
ness, weakness and debility. It  
builds up the body and strengthens it,  
clears the blood of poisons and im-  
purities, stimulates the liver into  
healthy action, corrects constipation  
and clears the system of all malaria  
and biliousness. Did it give results  
other than outlined there would never
